To: Parent/Guardian and Physician

If a medication must be taken during the school day or during a school sponsored overnight trip, it is necessary, in accordance with **California Education Code Section 49423**, to have a written statement on file. The statement must be signed by the parent/guardian and the physician indicating a desire that designated school personnel assist the student with medication administration. **The authorization must be made annually and/or whenever a change occurs.**

Education Code requires that **ALL** medications, **prescription** and **over-the-counter** must have a completed statement from **BOTH** the physician **AND** parent/guardian **BEFORE** they can be administered. Medication must be provided in the **original container** labeled with the students name, medication name, dose/strength and **specific** administration directions.

Parent/Guardian Authorization

As the parent/guardian of the above named child, I request that designated school personnel assist in the administration of medication prescribed by the physician. I give consent for the physician and designated school personnel to communicate directly, regarding the administration of the medication. I understand it is my responsibility to bring all medication safely to the school and I agree to refill or replace medication as necessary. I understand that the medication will be stored in a locked area unless the physician indicates that my child is capable of carrying and self-administering it.
